Other Helpful Information

Visitor Policy

For your safety, Only Registered Guests are permitted access through our Vacations Camp Gate. Additional Guests must be added to your reservation for the entire length of stay (as long as the maximum number of Guests is not exceeded). **Anyone not registered on a reservation is not allowed to enter the Vacations Camp Gate.** Darien Lake welcomes visitors to your site but requests that your Guests park, enter through the main Amusement Park entrance, and possess an Amusement Park Admission Ticket for the current day. Visitors are allowed to visit with you until the park closes.

Upgrades upon Arrival

Depending on availability, we would be more than happy to see if an alternate room/unit/site is available for you (additional charges may apply). Hotel guests can inquire at the Front Desk, while rental/campground guests can inquire at the Camping Office. All changes are based on our availability during the time of your stay.

Late Arrivals

Our Accommodations Gate is open 24 hours a day; therefore you can arrive at any time on your day of check in. It is very helpful if you let us know ahead of time what time you will be arriving. All Packages include park admission for the duration of your stay and cannot be removed for late arrivals. We suggest switching your dates to the next day if you are concerned about the park admission charge. **Campsite Guests may not set up their site after 11pm.**

Campsite Setup

Should you set up on a site that does not belong to you - you will be charged the rate of the guest that is entitled to that site. Please contact the Camping Office, if there is an issue with your allocated site; Pop-up Campers or small Motorhomes/RVs are strictly prohibited from being placed on Cabin or RV Rental unit sites; units must be placed on a reserved campsite designated for such use, in a separate registered persons name; (1) small tent is permissible at Cabin or RV Rental Sites.

Unauthorized Extended Check Outs

Should you stay in your unit/room/site past your check out time, you will be assessed an additional night charge automatically. If the site|unit is sold for that night there will be an additional charge, due to the inconvenience for the Guest that is entitled to that site.

Inclement Weather Policy

We apologize in advance should there be inclement weather before you arrive and your site or unit is compromised. We ask that you do not set up on sites that have mud or puddles on them. Please return to the camping office to relocate to a new area. **There is no compensation due to inclement weather.**

If there are any issues with your room|rental unit|site please contact us right away so we can correct it.

We do not compensate for unreported items that we could have corrected while you are here.

Hotel – please call the front desk. Rental Units | Campsites – please call the Camping Office **585-599-5523**

We are very much looking forward to having you stay with us!
